

PureHT™ Custom Plate Request Form

Introduction

Welcome to the "PureHT™ Custom Plate - Request Form," where you can choose from different options to build a plate that meets your needs. If you are after a more specialized plate, please include those details in the fields marked "Other".

By filling out this questionnaire, you will help us to create a product that is specifically suited to your applications.

Once you've filled out all the information, **send the document to us via custom.beads@cube-biotech.com**, and our Team will contact you and provide a quote for your request as well as a timeline for your product.

1. Customer Information

Name:

Title:

Company:

Email:

Contact of end-user:

(if different from order)

2. What is your standard liquid handling platform

Streptavidin

Rho1D4

Other Cube Resin (specify name and product number)

Other Resin not by Cube (please fill out information under point 7)

6. How much resin should be contained in each well of the plate?

1 µl

2.5 µl

5 µl

Other (please specify):

7. Want to use your own resin? Please specify how you want to proceed with this:**7a. Send us your resin**

Choose your own resin, and we will use our patented technology to preserve the functionality of the beads and distribute them evenly on the plate of your choice. For this, please select one of the **options to ship** your resin to us, and we will indicate how much resin you should send.

Customers from EU, UK, EMEA, Japan, China, Korea, India, and APAC should ship the resins to:

Cube Biotech GmbH
Creative Campus Monheim
Creative-Campus-Allee 12
40789 Monheim
Germany

Customers from North America should ship resins to:

Cube Biotech Inc
987 Old Eagle School Road
Suite 709
Wayne, PA 19087
USA

7b. Let Cube Biotech purchase the resin for you

Cube Biotech can purchase resin for you. For this service, Cube Biotech will charge for the cost of the resin plus a 50% mark-up fee.
